CLAMP SYSTEMS & SERVICE KITS

Professional clamp kits and installation tools designed for fast, secure hose assembly and workshop servicing applications.

Two Ear Mild Steel Crimp Clamps - 150 Piece Grab Kit

PART NO.

703-004

Features

- Zinc plated mild steel clamps
- Includes 8 popular sizes
- Clamp range: 7mm - 27mm
- Ideal for fuel, air & fluid hose applications
- Compact workshop organiser case
- Installation pincer included

COBRA Clips Service & Maintenance Kit - 240 Piece

PART NO.

703-003

Features

- Complete assortment kit
- 240 piece clamp selection
- Organised carry case
- Fast installation system
- Suitable for servicing and maintenance applications
- Ideal for irrigation and hose repair systems

Ear Clamp Pincer Tool

PART NO.

701-007

Features

- Professional clamp installation tool
- Designed for two ear clamp systems
- Heavy-duty steel construction
- Vinyl grip handles for comfort
- Fast and secure clamp crimping
- Suitable for workshop and field servicing

Cobra Clamp Plier Tool

PART NO.

703-001

ACCESSORIES

Worm Drive Buckles S50W3

12.0mm x 0.8mm Pack 50

PART NO.

415-003

Closure for the NORMAFIX® NORMETTA® continuous band clamping system

- Flexible and versatile
- Can be installed under difficult conditions

Normetta Smooth Band

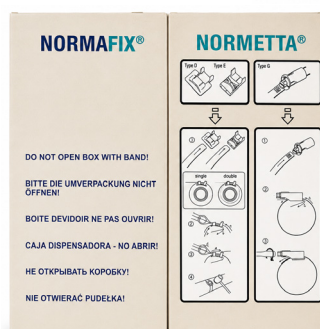

30m

PART NO.

415-004

Continuous band clamping system

- Flexible and versatile
- Can be installed under difficult conditions
- W1 Stainless Steel

Flex-O-Metre

3m x 12.0mm

PART NO.

415-005

Make your own clamps.

- Supplied in a handy carry case with 3m of continuous worm drive banding and 5 buckles in a band widths of 12mm.
- Available in W2 Stainless Steel
